## Withholding Tax - Unemployment General Information

Where can I find my unemployment number? Where can I find more information on unemployment taxes?

If you need to obtain your unemployment insurance account number or have any other questions regarding unemployment taxes you will need to contact the Department of Labor and Employment (DOLE). You can contact them by telephone at (303) 318-9100 or toll free at (800) 480-8299 or by using the DOLE Web site at www.coworkforce.com.

The Department of Revenue does not issue unemployment numbers nor do we collect unemployment taxes. All questions should be directed to the Department of Labor and Employment
